

Greater Richmond Horse Show Association Rules/Regulations – High Points (Cumulative Points)

1. All riders and owners who are interested in registering for cumulative points **must** register prior to competing in an event. Late entries will not be accepted and points will not be back dated for those not registered in time without written permission from the GRHSA Board of Directors. Please contact Amy Barlow for instructions on how to accomplish this.
2. The judge's decision is final. If you have questions or concerns about your points or the results of a specific show please email Amy Barlow. Please monitor the points often on our website www.grhsa.org. Every attempt will be made to provide points at least 5 days prior to the next scheduled show. Feel free to e-mail Amy Barlow for a current pdf file. Please allow 7 days after the conclusion of a show before requesting this file as the points need to be received from the hosting barn and recorded.
3. Divisions which are divided into separate classes (ex: 18" and 2' jump height) - A rider/pony/horse may only enter in a division once. If the division holds points on the rider then the rider may only enter once. If the division holds points on the pony then a rider may enter more than once but must be on a different pony/horse. If it is found that a rider/pony/horse has entered a division more than once then all points will be disqualified for that day in the division.
4. Divisions in which the points are on the pony/horse will only reflect the pony/horse and owner name on the cumulative points sheet. It is the responsibility of the owner to appoint a rider to receive any year end award earned by the pony/horse.
5. Points will be awarded as follows:

1st place: 5 points
2nd place: 3 points
3rd place: 2 points
4th place: 1 point

Champion: 10 points
Reserve: 6 points

Leadline – all points are based on attendance regardless of ribbon received. Each rider will receive one point for participation at each show attended. There is no minimum requirement of entries for the division to be recorded.

All other divisions – There will be 3 classes per division unless the prize list is provided to all entrants in writing at least 5 days prior to the event. The hosting barn has the option of offering additional non-pointed classes. Any ribbons received in these classes will not be counted towards cumulative points. There is a minimum requirement of 3 entries for a division to be recorded. Any division with less than 3 entries may not be held at the discretion of the hosting barn. However, if the hosting barn still chooses to hold the division with less than 3 entries, the points will not be recorded.

6. For a complete list of the VHSA rules please refer to the current Rule Book posted online at www.vhsa.com.
